Dear Jeffrey Bennett;

SecureNet Payment Systems has certified integration of the Machovy.com (Version 0.9) to the SecureNet Payment Gateway API (version 4.1.5). This certification is based on the success of certification transactions run from the Machovy.com Billing System to SecureNet's Payment Gateway on 01/14/2013. The Machovy.com Billing System (version 0.9) is as of today 01/16/2013 certified to successfully perform **AUTH_ONLY, PRIOR_AUTH_CAPTURE, AUTH_CAPTURE, VOID AND CREDIT** transactions through the SecureNet payment Gateway API (version 4.1.5).

Please direct any/all questions regarding this certification to certification@securenet.com.

Sincerely,

SecureNet Certification Team
